

DRIVER EDUCATION 2018

GOALS

To teach the safe, efficient operation of a motor vehicle and to develop the proper skills and attitudes needed for defensive driving are the primary goals and objectives of our program.

STATE REQUIREMENTS

Indiana State law requires all Driver Education schools to provide 30 hours of classroom instruction and a full 6 hours of driving instruction for every student.

LOCATION

Classes take place at the FWCS Career Academy at Anthis Automotive Center, 1219 S. Lafayette St., centrally located in downtown Fort Wayne.

FACTS

FWCS is one of the longest-running Driver Ed programs in the state of Indiana, beginning in 1956. Every instructor is a professional teacher/educator with many years of experience in the public school classroom, as well as special training in Driver Education. More than 400 years of experienced instruction is represented in our teaching staff.

AGE REQUIREMENTS

To be eligible for Driver Education in Indiana, a student must be 15 years old by the first day of the program.

ATTENDANCE

In order to successfully complete the program students must meet Indiana Driver Education attendance requirements. Students must attend all driving classes, as well as classroom classes to meet this requirement. If a student has an emergency absence (i.e., death in the family) they are required to make that class up as quickly as possible.

THINGS TO KNOW

- The Indiana BMV Is closed on Mondays.
- A Board of Health certified birth certificate is required at the Indiana BMV.
- All driving is done with two students per car. Students and instructors are never alone in a vehicle. All instructors have gone through a national security check.
- Students must have their permits with them every time they attend Driver Education.
- Students must wear enclosed shoes (no sandals) and no stacked platform shoes. FWCS dress code must be followed, including appropriate attire.
- Students must complete a log of 50 hours (40 daytime and 10 night time) before receiving their probationary license. Logs are provided to the students for the parent and student to complete together. The log is also available on the BMV website, www.in.gov/bmv.
- The required Indiana State Drive Test is available through our program, if the student meets the state requirements.
- The fee for the drive test at our program is \$30 and is in addition to class fees. Our cars will be used for the tests. The drive test is free at the BMV, where the student's family must provide the vehicle.
- If a student fails to arrive for a scheduled drive there, there is a \$30 per hour fee for make-up lessons.
- Once scheduled for class, a fee of \$25 will be due, if a student withdraws or moves to a different session. No refunds will be given once classes begin, unless proof of family emergency or severe illness is provided.
- Class preference will be filled in the order the applications are received. Register early to get the class you want.

COST - \$398

To register, payment may be made for half of the cost of the program, which is \$199. The remaining is due by Monday, May 14. If not paid in full by that date, you will lose your reserved drive time and your permit will be revoked.

Upon registration, you will receive a receipt and a letter of confirmation from Driver Education in the mail. Upon passage of the written test, you will receive a "Certificate of Driver Ed Enrollment" to use at the BMV to obtain a driving permit. Please consult the Indiana BMV website for additional requirements to prove identity. Do not wait until immediately before driving begins to go to the BMV to obtain your permit. Some students do not pass on the first attempt and refunds will not be given for students who do not acquire their permits by their scheduled drive lessons.

Classroom Instruction Sessions

(30 required hours)

Classes meet for 10 sessions, 3 hours each

Session A

Saturday and Sunday, Noon- 3 p.m.

April 21, 22, 28 & 29

May 5, 6, 12, 13, 19 & 20
