Classroom News:

Welcome Back to School! I hope everyone had a great summer and are ready for an awesome school year to begin! I am so happy to welcome all the wonderful new faces I have in my classroom this year!

Math: In math we will begin the year with ordinal numbers. Then we will move into addition and subtraction. These concepts will be ongoing throughout the year.

Spanish: In Spanish we will review since most students have been away from the language for the summer. We will learn the written word for much of our vocabulary and we will begin to write with more detail.

Science: In science we will be studying soils! The students will learn about worms and how they help our soil as well as the different layers beneath the earth.

Birthday Wishes: Feliz Cumpleanos!

8-24 ~ Rosalyn A.

8-19 ~ Cadence C.

8-31 ~ Gabrielle B.
