Math:

We are starting Bundle 4 – Division. Students will learn how to divide and practice different strategies for solving division problems.

Please encourage your student to begin memorizing multiplication facts 0-10 as this will help them be more successful with division.

Spanish:

We will develop listening skills and fluency through song. We will also begin to develop vocabulary about animals found in the zoo.

Science:

Our next science kit is all about Rocks and Minerals! Throughout this unit we will be observing various rocks and learning to classify them.

Social Studies:

We are learning about the different types of communities. Later, we will discuss how the environment influences our communities and way of life.

Health:

Students will learn about the human life cycle and how cells work together in the body.

Classroom News:

Parent/Teacher conferences are November 7th and 8th. I look forward to seeing all of you!

We are now in the “Winter Uniform” time. Please ensure your student is dressed for the weather and following the winter dress code. Only sweaters, not hoodies or sweatshirts, can be worn during class. All dresses and skirts must be worn with solid colored leggings or tights, as well.

Birthday Wishes:

¡Feliz cumpleaños a nuestros amigos!
