

# ATTENTION STUDENTS: BRUIN TIME FLEX DAYS ARE BACK!

Starting in the last Thursday in September, Flex Days will return to Bruin Time. Flex Days are designed to provide students with the opportunity to determine how to best utilize this time for themselves, including using BT to visit other teachers for academic help.

## WOULD YOU LIKE . . .

- time to work on homework?
- time to work with a classmate?
- the ability to visit another teacher for academic assistance during Bruin Time?
- time within the school day to meet with your club advisor?
- some “down time” to socialize or read?

Good news—Bruin Flex Days will allow you to do all of these things!

Here’s how you can visit another teacher on a Bruin Time Flex Day:

- All teachers have green “Bruin Time Tickets” that allow students to visit them on a BT Flex Day (see example below). You need to ask the teacher you’d like to see for a ticket BEFORE a scheduled Flex Day.
- Bruin Time has been incorporated into your first period class this year. At the start of BT (9:50), your first period teacher will initial your ticket, then you will sign-out on the Bruin Time sign-out sheet. The initialed ticket is your hall pass to the classroom you are visiting.
- When you get to your Bruin Time destination, sign-in on the BT sign-in sheet. That teacher will initial your ticket at the conclusion of Bruin Time, and the ticket will once again be your hall pass as you return to your 1<sup>st</sup> period class. You must return to your original 1<sup>st</sup> period class and turn-in your BT ticket to your 1<sup>st</sup> period teacher.

Flex Time Dates for this semester: 9/27, 10/11, 11/8
