

CURRENCY COMPETITION

COINS VS. BILLS

Would you like to raise money for Riley Children's Hospital AND help determine who will kiss a farm animal at the fall Pep Session?

From November 12 - 19, there will be a "Currency Competition" where six teachers will compete to earn the most positive points:

Coins count as negative points

Paper money counts as positive points

Collection jars for participating teachers will be available before school in the Commons and during every lunch mod.

Participating teachers will be announced Monday, November 12.
