March is National Nutrition Month!

It is important to try to get something from each of the 5 food groups at every meal.

- **Grains:** Try whole grains like brown rice, whole wheat bread, oatmeal, whole wheat pasta, popcorn & whole grain cereal.
- **Fruits & Veggies:** make your plate look neat by choosing different colors, like broccoli & strawberries, carrots & kiwi, or spinach & an apple.
- **Protein:** chicken and beef aren't the only kinds of protein. Eggs, cheese, nuts & seeds, and fish count as protein too!
- **Dairy:** dairy is important for growing kids! Skim or 1% is great! Or try some other calcium containing foods like yogurt, cheese and pudding.

This menu is pork free.

Menus are subject to change without notice.
