

VISUAL ARTS ACADEMY July 12-23

Presented by USF Creative Arts

SCHEDULE: Mon.-Fri., 9 a.m.-11:30 a.m. / lunch break / 1-3:30 p.m.

LOCATION: Mimi and Ian Rolland Art Center - USF Main Campus
2701 Spring St. (Leesburg Rd. Entrance)

The morning session will be focused on **PHOTOGRAPHY**. From retrograde to hi-tech, students will have the opportunity to work in a photo darkroom, make their own pinhole camera, explore digital cameras and use Adobe Photoshop for digital enhancement and manipulation. **Instructor: Stephen Perfect (Professional Artist and Educator)**

The afternoon session will engage students' understanding of **3D MODELING (WEEK 1)** and how it's utilized for animation. Maya and ZBrush will be used for this course. Students will gain insight concerning basic shapes, edge loops, lighting, and rendering. **3D ANIMATION (Week 2)** will help students understand the basics of using Maya and the 12 principles of animation. Students will learn how to set keyframes, utilize graph editor, create ball bounces, and work with humanoid rigs. **Instructor: Jake Nolt (USF Faculty)**

MUSIC ACADEMY

Presented by USF Creative Arts

POP/ROCK WORKSHOP: JULY 12-16

SCHEDULE: Mon.-Fri., 9 a.m.-11:30 a.m. / lunch break / 1-3:30 p.m.

LOCATION: USF Robert Goldstone Performing Arts Center

431 W. Berry St., Fort Wayne, IN

Whether your interest is being a performing musician or the recording engineer in the studio, students will work together and learn different aspects of the music industry and audio production processes. Students will form bands to write and record songs in their genre of interest – acoustic, folk, heavy metal, or anything in between.

Instructor: Mark Everetts (USF Faculty)

HIP-HOP/R&B WORKSHOP: JULY 19-23

SCHEDULE: Mon.-Fri., 9 a.m.-11:30 a.m. / lunch break / 1-3:30 p.m.

LOCATION: USF Robert Goldstone Performing Arts Center

431 W. Berry St., Fort Wayne, IN

Students will collaborate to work on writing and recording songs. Those interested in singing, rapping, beat-making, or that have an interest in learning studio and music recording techniques are encouraged to participate in this fun, hands-on workshop to develop their music technology skills. **Instructor:** Mark Everetts (USF Faculty)
