

**Raise Funds for Study Connection Using Your Kroger Plus Card**  
**through**  
**the Kroger Community Rewards Program**

Study Connection is participating in the Kroger Community Rewards Program. We receive funds from Kroger based on the amount our registered participants spend at Kroger stores using their Kroger Plus card. All you need to do is register your Plus Card account online, designate Study Connection as your organization of choice, and then use your Plus card every time you shop. It's that simple!

- Register online at [krogercommunityrewards.com](http://krogercommunityrewards.com)
- If you have a Kroger Plus card, have it handy when you sign up. (You can also access your Plus account number by using your phone number). If you do not have a card, please ask for one at the customer service desk at a Kroger store.
- Click on Sign In/Register. You will have to create an account under your name if you don't have one already.
- Once you have signed in, click on the Enroll Now button. It will then ask you for either your organization's number (40456), or at least 3 letters of the Study Connection name. Click on Search.
- Click on the circle next to "Fort Wayne Community Schools – Study Connection" and then select Enroll.
- It should then come up with your account information. It should also tell you at the top of the page that "Your enrollment in the Community Rewards Program has been updated."

Please share this information with your co-workers, family members, friends, and on your social media accounts. Anyone can participate in raising funds for Study Connection! Questions? Contact the Study Connection office at 260.467.8810.
