

FWCS Neighborhood Connection Instructor Application

Neighborhood Connection is a Fort Wayne Community Schools program designed to provide an educational outreach to residents of Fort Wayne and surrounding areas. Functioning in partnership with Continuing Education, the program serves as a catalyst for personal growth and positive change in area neighborhoods by providing lifelong learning for community members in Fort Wayne Community Schools excellent facilities.

Neighborhood Connection taps the creativity, knowledge and skills of our community residents. Instructors are business professionals, certified teachers, independent educators and community members with expertise in particular subject matter. Our instructors work in tangent with Neighborhood Connection to help each other to learn, grow and achieve. Our classes are affordable and conveniently located throughout the city in FWCS facilities.

If you have a special skill or talent that you believe would be beneficial to our program you can become an instructor for Neighborhood Connection. The process is simple and no formal training is needed to become an instructor. Complete the application, attach a resume and return to: Neighborhood Connection 1200 S. Barr St. Ft.Wayne In 46802. Please call our office with any questions, 260-467-1075.
