

Sports Physicals

The health and safety of students is a priority at FWCS, and that is why we require a pre-participation physical (sports physical) for all students competing in sports, intramural athletics and extracurricular activities. ***The best way to make sure your child is healthy and ready to play is by having sports physical paperwork filled out during an annual well child check with your family doctor.*** For students planning to participate in activities during the 2018-19 school year, can have their physical completed anytime after April 1. Plan ahead and schedule your child's appointment soon! Sports physical paperwork can be found at www.fortwayneschools.org/health_services/high.php.

If you do not have a family doctor or have difficulty accessing one, your student can be examined at our **FWCS Family and Community Engagement (FACE) Center**. ***Physicals are by appointment only, and you can schedule by calling 467-7260. Appointments are available Monday-Friday 8 a.m.-5 p.m. and one Saturday a month from 8 a.m.-noon.*** Physical exams at FACE are offered through a partnership between FWCS and Parkview Health, PPG and Fort Wayne Medical Education Program. All insurance coverage is accepted and financial assistance is available for out-of-pocket expenses or for those without insurance. Call and schedule soon!
