

Fort Wayne Community Schools will hold its virtual School Choice Lottery for those who submitted on-time applications prior to Dec. 29, 2020.

Lottery results will be available on the MyFWCS Parent Portal on Monday, Jan. 25, 2021. Parents will need to accept or decline their student's lottery award *online only*. The student's birth certificate will be required prior to enrollment for any student new to FWCS. Parents must secure the student's lottery award by **Feb. 26, 2021**. Failure to respond by the deadline will result in the award being forfeited and awarded to the next student on the school choice waiting list.

The following schools/grades do *not* require a lottery drawing today because the school has agreed to accept all on-time applicants for the specified grade levels **or** there is only one student applicant on the school's draw list.

Thank you for allowing FWCS to serve your family!
