APPENDIX A - Salary Schedule ........................................................................ 38
Preamble

This Master Contract is entered into by and between the Board of School Trustees of the Fort Wayne Community Schools, hereinafter called the “Board,” and the Fort Wayne Education Association, Inc., an affiliate of the Indiana State Teachers Association and the National Education Association, hereinafter called the “Association.” The Board and the Association recognize as their mutual goal the providing of a quality education for all students of the School District. The achievement of such a goal is directly related to quality and morale of all employees and requires the cooperation and understanding between the Administration and teaching staffs. The following Master Contract covering certain terms and conditions of employment for teachers has been developed through negotiation between the Board and its representatives and the Association and its representatives.
Definitions

1. The terms "Board," "Administration" and "Association," when used in this Contract, shall include authorized officers and designated representatives.

2. The term "hourly rate," unless otherwise specified, is computed using the teacher's base salary divided by a number determined by multiplying the number of contracted days times the minimum number of work hours in a work day.

3. System of Support is the FWCS teacher-evaluation system, designed to support and encourage professional growth to ensure that each teacher is providing effective instruction to all students. The System of Support uses a modified version of the Indiana RISE Rubric which tracks four domains of teacher effectiveness (Purposeful Planning, Effective Instruction, Teacher Leadership and Core Professionalism) as well as student data to assign teachers to one of the four rating categories required by IC 20-28-11.5-4(c)(4).

4. Final Observation Rating is a calculation of the rating of the four domains in the FWCS System of Support. Teacher competencies are rated and a final rating given for each domain, are calculated to determine the final observation rating.

5. Final Summative Rating is the Final Summative Observation Rating combined with applicable student data for a school year in which a teacher was paid at least 120 school days.

6. Rating Categories:
   a. Highly Effective;
   b. Effective;
   c. Improvement Necessary;
   d. Ineffective.

7. Base Salary is the salary of a teacher which continues from year to year absent a change in employment status.

8. A stipend is a single lump sum payment which does not continue and which does not become part of the Base Salary.

9. An index is a salary payment included in pay for additional duties, responsibilities or other reasons.

10. A content-area master's degree is a master's degree in a content area directly related to the subject matter of any FWCS course taught by the teacher who possesses the degree, including a master's degree in elementary education, if approved by the Superintendent or designee. Teachers are required to receive prior approval from Human Resources if they would like to receive compensation for the master's degree. The master's degree must be from an accredited college or university.
Article 1: Recognition

The Board recognizes the Association as the exclusive representative for teachers, described and defined as

“All professional personnel employed by the Board whose official assignment requires a classroom teacher’s license or Indiana Workplace License, including coaches, interventionists, and any teacher on special assignment, but excluding the Superintendent and Assistants, Area Administrators, Directors and Assistants, Supervisors, Principals and Assistants, Guidance Personnel and employees serving as Substitute Teachers. Any teacher who regularly teaches one or more classes shall belong to the teacher bargaining unit with all the rights, benefits, and privileges thereof.”

The Board recognizes the value of services provided by the Association to all teachers, not just members. The Board encourages teachers to become active members, and provides for Association involvement in new teacher orientation and will provide membership and enrollment information with new employee materials. This recognition shall be continuing until such time as the Board is shown evidence in accordance with I.C. 20-29-5 et seq. and 560 IAC 2-2.1-1 that the Association is no longer the representative of classroom teachers.
Article 2: Grievance Procedure

A. A grievance shall be defined as an alleged violation of an express provision of the master contract.

B. If a potential grievance involves an individual teacher, it shall be discussed informally with the building principal. The teacher may involve the Association’s building representative in the discussion at the teacher’s option.

C. If after this discussion, the teacher believes there is a basis for a formal grievance, or if the Association believes there is a basis for a class grievance, the aggrieved party shall file a written grievance with the building principal or Employee Relations Department no later than seven school days after the occurrence that gave rise to the alleged grievance or after the aggrieved party became aware of the occurrence, whichever is later.

D. Within ten school days of the filing of the grievance, the parties shall meet to review it, gather facts and discuss possible resolution. If the grievance is not resolved, a written answer with copies to all concerned shall be returned within five (5) school days of the meeting. In the event that a meeting is not held, or no answer is given within the time required, the grievance shall advance to the next step.

E. If the grievance is not resolved at the meeting or by the written answer, or if no answer is given, the aggrieved party may, within twenty school days after the filing of the grievance, file a notice of arbitration with the Joint Communications Committee. The grievance shall be discussed at the next meeting of the Joint Communications Committee. If it is not resolved, either party may request arbitration.

F. Arbitration is requested by letter, with a copy to the non-requesting party, to the American Arbitration Association requesting that they select an impartial arbitrator and conduct the arbitration proceedings. Both parties agree that the American Arbitration Association shall conduct the arbitration according to its rules. The arbitrator may apply this agreement to the case under consideration but shall have no authority to add to, subtract from or modify the terms of this master contract. If within the terms of his/her authority, the decision of the arbitrator shall be final and binding on the parties. Upon request, the parties shall exchange information reasonably necessary to prepare for any scheduled arbitration, including lists of witnesses and exhibits.

G. The Joint Communications Committee may, at any time between the informal building level discussion and arbitration, agree to suspend all timelines to gather
information, attempt mediation or otherwise interrupt the process. Any such suspension of timelines shall be documented in writing. Unless suspended, time limits shall be strictly observed.

H. The Association shall be informed prior to any adjustment. No adjustment shall take place contrary to negotiated policy.

I. The cost of the American Arbitration Association arbitrator shall be shared equally by the parties.

J. All grievances initiated prior to the expiration of this contract shall be resolved according to this grievance procedure.

K. The rules and regulations of the American Arbitration Association shall be followed if expedited arbitration is utilized on any dispute regarding this contract.

L. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participant. The documents, communications and records shall not become part of any file that is utilized in the promotion process nor shall they be used in any recommendation for job replacement.
Article 3: Absence and Leave

A. General Provisions

a. Teachers needing to be absent for reasons set forth in this Article shall notify their principal or designee and specify the category and length of the leave in order that a substitute may be obtained.

M. Sick Bank

The Sick Leave Bank is a program where regular-contract teachers contribute personal illness or business hours to a bank, to use if their individual personal illness and business hours are exhausted and they experience a long-term illness or surgery. Teachers may join the Sick Leave Bank only during an open-enrollment period.

Human Resources shall send the Sick Leave Bank Letter to all teachers reminding them of the Sick Leave Bank policies set forth herein within the first thirty (30) workdays of each school year. The open-enrollment period is defined as two weeks immediately following the date the Sick Bank Letter is sent, or for newly-hired teachers, the teacher’s first thirty (30) days of employment. During open-enrollment, every eligible teacher will be given the opportunity to participate in the Sick Leave Bank by contributing eight (8) hours from their sick leave allotment. Only participants in the Bank are eligible for access to Bank hours.

Any teacher in need of additional sick leave hours may apply to the Joint Sick Leave Committee for consideration of the request. The criteria that must be met by the teacher applying for Sick Leave Bank hours are:

b. In order to be eligible to use Sick Leave Bank hours, teachers shall have been absent due to personal illness at least ten (10) consecutive school days immediately prior to the day they request hours from the Sick Leave Bank. If all benefit days have been exhausted, teachers will not be paid until they accumulate ten (10) consecutive school day absences at which time Sick Leave Bank would begin;

c. The Sick Leave Bank hours requested shall apply to days prior to the date when the teacher’s long-term disability insurance could or would commence, and
d. The Sick Leave Bank hours shall take effect immediately following the exhaustion of the teacher’s personal sick leave and personal business providing the above conditions have been met.

e. Teachers must submit a letter to Human Resources requesting Sick Leave Bank hours along with a medical document from their doctor stating the reason for the request.

The Joint Sick Leave Committee consisting of the Director of Human Resources or designee and the Association President or designee shall administer the Sick Leave Bank.

Any hours left over at the end of the school year shall carry over to succeeding years.

Teachers with six or more FWCS contracts will be provided a maximum of 320 hours from the Sick Leave Bank. Teachers with less than six FWCS contracts will be provided a maximum of 160 hours from the Sick Leave Bank.

Temporary and substitute teachers are not regular-contract teachers and are not eligible for participation in the Sick Leave Bank.

The Corporation shall pay the premium.
Article 5: Retirement

Savings 401 (a) Annuity Plan

The School Corporation shall establish a qualified retirement plan as described in section 401(a) of the Code.

A retirement match will only be available if included in a Board approved budget. The Board agrees to annually match up to 1.0% of each teacher’s indexed salary (the salary listed on the teacher’s contract before additional compensation) into each individual’s separate 401(a) account, if that individual has deposited an equal amount into his/her own 403(b) account or as excess deposits to his/her TRF account in accordance with their rules and regulations. The Board shall deposit its annual contribution on or before July 10 of each year, based on employee deposits the prior fiscal year (July 1 – June 30). There will be no commingling of accounts and each employee may determine how his/her account shall be invested among the investment options made available by the investment vendor for the 401(a) Plan.

Each bargaining unit member is immediately vested in these individual 401(a) accounts upon signing his/her 6th contract with the Board. Forfeitures will be returned to the Board as an offset to future Board contributions.

Any teacher whose license is not current at the beginning of a school year will be placed on substitute-teacher pay as of the first teacher work day; upon attainment of renewal, regular-teacher pay shall

Article 7: 2003-2004 Severance Benefits

A. Prior Agreements’ Severance Benefits

This Article only applies to teachers who received the Buy Out of severance benefits under the 2003-2004 Agreement.

B. Vesting Requirements

A teacher becomes vested in the Buy Out benefits of the 2003-2004 Agreement so that there is no forfeiture as follows:

a. For the VEBA contribution and 50% of the retirement contribution of Section C, ISTRF eligibility plus age 55 and 15 years of service with FWCS.

b. For the other 50% of the retirement contribution, ISTRF eligibility plus age 50 and 10 years of service with FWCS.

C. Forfeitures

a. The accounts of teachers terminating employment prior to meeting vesting requirements shall be re-distributed to participating teachers.

b. Amounts forfeited upon termination of employment because of the failure to meet the applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently rehired or reemployed by the school corporation. However, if the Board approves a leave of absence of an employee, such period of leave shall not result in forfeiture, provided the employee shall promptly return to employment following the expiration of the period of leave. In the case where an employee is RIF’d, his/her account will not be forfeited if said employee is recalled and he/she accepts the recall; provided, however, that the period of leave or RIF may not exceed three (3) years without forfeiture.

c. VEBA. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in subsection B of this Article, the terminated employee’s VEBA account shall be forfeited. Forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate VEBA accounts. This reallocation shall be in a manner similar to that used by initially determining the present value calculations, and shall be determined by the Nyhart Company or its successor. Therefore, the VEBA accounts of the following employees will not share in the reallocation of a forfeiture of a VEBA account:
i. Employees who forfeited their VEBA accounts in the same year;

ii. Employees who previously forfeited their VEBA accounts; and

iii. Employees who have attained the age of fifty-nine (59) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, VEBA accounts of employees who have attained the age of fifty-nine (59), but who have not terminated employment may share in the reallocated forfeiture, but on a reduced basis.

d. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in subsection B of this Article, the terminated employee's 401(a) plan account shall be forfeited. The forfeited amounts shall not be returned to the school corporation. Instead, forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate 401(a) plan accounts in a manner similar to that used in initially determining the present value calculations and shall be determined by the Nyhart Company or its successor. Therefore, the 401(a) plan accounts of the following employees will not share in the reallocation of a forfeiture of a 401(a) plan account:

i. Employees who forfeited their 401(a) plan accounts in the same year;

ii. Employees who previously forfeited their 401(a) plan accounts; and

iii. Employees who have attained the age of fifty-nine (59) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, 401(a) plan accounts of employees who have attained the age of fifty-nine (59), but who have not terminated employment may share in the reallocated forfeiture, but on a reduced basis.

e. The School Corporation shall not be paid any compensation for its services performed on behalf of the 401(a) plan. All costs incurred in the Administration of the 401(a) plan and investment fees shall be paid from the plan assets.

D. Future Adjustments

The parties agree that this Section, or any other provision of this Agreement, does not constitute an expectation of receiving the enumerated retirement benefits by any current employee, future employee, prospective employee or applicant beyond the expiration of this Agreement. Therefore, except as
otherwise limited by applicable law, it is understood that the Board and Association may in the future bargain modifications of any kind to this provision, provided however, that the future revision of this Section shall not affect the retirement benefits of teachers already receiving benefits pursuant to this Section.
Article 8: Effect and Term of Master Contract

A. Effect of Master Contract

a. The Board and Association agree that the terms and conditions set forth in this contract represent the understanding and commitment between them for the duration of this Contract. Only with the mutual consent of both parties can the negotiation process be reopened to alter or change this Contract during its duration.

b. Any contract between the Board and an individual bargaining unit member shall be expressly subject to the terms and conditions of this Contract.

c. Should any Article or portion thereof be declared illegal by a court of competent jurisdiction or be in conflict with any state or federal statute or regulation that has the effect of statute, such Article or portion thereof shall be deleted from the Contract to the extent it violates the law, but the remainder of the Contract shall remain in full force and effect.

d. This Contract shall supersede any policies or procedures of the Board which shall be contrary to or inconsistent with its terms.

e. Nothing of this contract abrogates the rights of the individual under existing laws.

f. By entering into this contract, all prior agreements of any nature whatsoever are hereby terminated and are of no force or effect, the parties having had the right to present any and all issues in bargaining prior to this agreement.

B. Term of Master Contract

a. This Contract shall be effective on July 1, 2019, and shall continue in effect through June 30, 2021.
