1	<b>North Side – Global Studies/World Languages and Early College</b> – This Early College program partners with Vincennes University and incorporates global knowledge into courses to enable students to be able to work, live and communicate in a global society. The emphasis is on developing an understanding of how the world’s people and institutions are interconnected and how critical global economic, political, technological, environmental and social systems operate interdependently across the world. Students are able to earn an Associate’s Degree through this program.
2	<b>Northrop – Project Lead the Way Engineering</b> – The PLTW focus is on real-world learning and hands-on experience to engage students in engineering, biomechanics, aeronautics and other applied math and science areas. The students learn through activities-based, project-based and problem-based learning, which creates an environment for applying engineering concepts to real problems.
3	<b>Snider – Project Lead the Way Biomedical</b> – This program is geared toward students contemplating a career in one of the health fields ranging from nursing to physical therapy to becoming a dentist or doctor. In addition to the rigorous coursework, students have opportunities to participate in internships in various medical, therapeutic or diagnostic fields.
4	<b>South Side – International Baccalaureate</b> – A rigorous pre-college program that can result in a diploma that is recognized by many universities and increases student’s eligibility for scholarships. The IB Program seeks to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. South Side has offered the IB Diploma for 19 years and remains the only school in northeast Indiana with this prestigious program. The Diploma Program is for grades 11 and 12 and the Middle Years Candidate Program is for grades 9 and 10. At end of 10th grade students will have the choice to enter the IB Diploma Program.
5	<b>Wayne – Early College Business</b> – The Early College Program collaborates Wayne with Ivy Tech to provide a rigorous Business Education program. With dual credit opportunities in Business as well as a number of core courses like English, mathematics and social studies, a Wayne student in the Early College program will be prepared to achieve success in the business world. Students begin earning college credits through Ivy Tech as early as their freshman year and build toward an Associate’s Degree over their four years.
6	<b>Wayne – New Tech Academy plus PLTW Biomedical and PLTW Engineering</b> – New Tech Academy is a national demonstration site for its outstanding use of project-based learning. Students are engaged and challenged daily as they are enrolled in integrated classes using new technologies. Students learn in an innovative and professional environment, fostered by the use of advanced learning methods and technology. New Tech’s enrollment requires either attending Towles New Tech or securing a lottery spot.

Lottery applications can be turned in at any FWCS school or delivered to

The Family and Community Engagement Center located at 230 East Douglas Avenue Fort Wayne, Indiana 46802 or faxed to 260-467-1974.

The lottery will be held at the Family and Community Engagement Center on January 18, 2019 at 9 am.
